

Screeching Weasel, What Is Right

gotta learn soon that things never last cause
i'm a punk rock christian with a bug up my
ass gotta know now if it's all worth a fight
cause if there's really a god then what else
is right ? what is right (x4) gotta lot of people
don't like my attitude i don't know what the
fuck i should do if you think it's ok when
i rip in a song then why when i do it to you
is it wrong i gotta girl and i know i'm in love
if you fight all the time can that be enough ?
i gotta girl and i know that she loves me so
why should i feel fucked up, shut out, hosed up,
shut up in destiny ? fuck !
