

Scribe, Not Many

Yeah! Yeah! And no one like me. Yeah! Yeah! Yeah! Congratulations, we made it, welcome to the time commin' yo! But I'm here now, so whatchu wanna do, how many dudes you really know, can f this, lets do it...

[Chorus] Uh, how many dudes you know roll like this, how many dudes you know flow like this, not any, how many dudes you know who got the skills to go in and roarck, a show like this, uh uh, uh u

Check, check to tha mic check, a 1, 2 from a crew commin' thought, are ya hyped yet, nowa days e they got something on scribe, ya ain't got nothing but a moment alive, you can't front, when ya feel scribe is takin' you high (high), love it with the double bass, vibrate, shook tha place, in ya vertebral move like a RS, Subaru, with a crew, come a equipped, like a body kit, lyrically I burn quick, so one thought his tongue like a steel fish, this kid named X, from Vic, wanna get, with scribe, in live, like a like a beehive, and when the mother from the squid of a pimp, of tha sea side, and get yo on the wa town in tha down low, never know, what the flow, bro, chop chop, cant stop hip hop, cause it don't s out!!!! (Yes) check it out (No) check it out... (What) check it out... (Like me)

[Chorus X2]

Somthin' for tha ride on cruse control, when tha bass vibrates, shook tha hives like a earthquake, th for yah, you made a great mistake, your eyes stop and bomp be gone, sick of this, flick the switch, this is some new shit, real deal, like Cody field, you know telling if you rock like mike or just might... drop, double drop tight, t-club get it on, represent all night, take flight, like Nike kicks with tricks and when the bra'd pit and don't sit just get on down and profound with sound that we found with the un get on down and profound with the sound we found with the underground...

[Chorus X2]

Next time you come on down to North Canterbury, it's all good, it's all good when come down to my Canterbury, it's all good uh uh, it's all good when you come down to my hood and come to East Ca yeah, it's all good when you come down to my hood and go to West Canterbury, it's all good yeah, of da woodsahh...
