

# Scum Of The Earth, Beneath The Living

Haunted by hatred {Haunted by hatred}  
Hating ever  
I will I will get you  
I will I will bury you

So I put you in your place  
Down down  
Beneath the living

Down down  
Beneath the living

Hate! Go!

Haunted by hatred

Never again  
Nothing ever  
I will I will hate you  
I will I will bury you

So I put you in your place  
Down down  
Beneath the living

Down down  
Beneath the living

Never again...nothing ever
