

Sea Of Green, Cut Up Inside

You Should Believe In Me
I Need You To Make Things Right
You've Always Been There
Through My Darkest Nights

I'm So Sorry
I've Lost My Pride
I'm So Sorry
I Feel Cut Up So Cut Up Inside

Fall With Me In Love Again
I've Got This Burning Need For You
Baby It's Been Said Before
This Flame Of Love Can Burn A New

I'm So Sorry
I've Lost My Pride
I'm So Sorry
I Feel Cut Up So Cut Up Inside

I'm Reaching Out Of The Dark
Towards The Light
I Wanna Touch You
I Wanna Taste You
I Wanna Be With You Tonight

I'm So Sorry
I've Lost My Pride
I'm So Sorry
I Feel Cut Up So Cut Up Inside
