

Sea Of Green, Out Of My Head

I Regret The Things I Say And Do
The Fucked Up Shit I Put You Through
For Better Or Worse Is What They Say
And We Live It Everyday

I Just Wanna Say Thank You
To Say I Love You
And Without You I'd Be Dead
I'd Be Out Of My Head
You Scrape Me Up When I'm Down
Never A Frown

It's So Easy To Hurt The One You Love
And Lose You're Faith In God Above
In Sickness And Health Is Where I Lay
And You Help Me Everyday

I Just Wanna Say Thank You
To Say I Love You
And Without You I'd Be Dead
I'd Be Out Of My Head
You Scrape Me Up When I'm Down
Never A Frown
