

# Seabound, Transformer

Wake up, wake up  
You cannot stay  
We have just removed an A-Port  
From your brain  
All these years  
A string of lies  
A perfect blue print  
Open your eyes

(Transformer)  
You are no scientist  
You're not an amorist  
(Transformer)  
Those lifelines don't exist  
Welcome to square zero  
(Transformer)  
You're no protagonist  
You are no gentleman  
(Transformer)  
(Don't) Recite your name again  
Welcome to square zero

Get up, get up  
It's time to go  
You will soon feel somewhat better  
Take it slow  
Don't be embarrassed  
That's O.K.  
And for the record  
It's a beautiful day

(Transformer)  
You are no scientist  
You're not an amorist  
(Transformer)  
Those lifelines don't exist  
Welcome to square zero  
(Transformer)  
You're no protagonist  
You are no gentleman  
(Transformer)  
(Don't) Recite that name again  
Welcome to square zero
