My emotions

Drift away

I think about it but it's alright it's alright it's alright it's alright

It's alright now

My emotions

Drift away

I think about it every single day

Do I regret it

Well I'd say that's alright it's alright it's alright

Out in space

There's a feeling that runs through your veins

One that has no time no space

Taking you high

So that you can't deny it

That's when you're in love

Taking you high

So that you can't deny it

That's when you're in love

Taking you high

So that you can't deny it

That's when you're in love

That's when you're in love

Taking you high

So that you can't deny it

That's when you're in love

Taking you high

So that you can't deny it

That's when you're in love

Taking you high

So that you can't deny it

That's when you're in love

That's when you're in love
