

# Seal, Just Like You Said

Hmmmmmmmmmmmm

I,

I am

So unsure

Every minute that waits

Every second that I'm away

From you

And love

Is a way that

Has no rules

Know that I'm loving you

Even if it's

A fool that waits in vain

Waits in vain

Yesterday it hit me

I felt we were slipping away

Say you if you can it's okay

Just like you said way then

Sometimes I fall

And I feel like

I don't know the way

Say if you can it's okay

Just like you said then

Just like you said

Now

Now my days become long

Okay

I know I'll never feel the same again

So please

Don't let

My lows bring you down

Always know that

I need you

Yes I do....oh

Yesterday it hit me

I felt we were slipping away

Say if you can

It's okay

Just like you said way then

Sometimes I fall and I feel like

I don't know the way

Won't you say if you can

It's okay

Just like you said then

Just like you said.... oh

Ohhhhhh .....

My my my my my again

Yesterday it hit me

I felt you were slipping

Away

Say if if you can it's okay

Just like you said way then

Sometimes I fall and I feel

I don't know the way

Won't you say if you can

it's okay

Just like you said then

Just like you said.... oh

Just like you said then

Just like you said.... oh

Just like you said way back then

Just like you said
