

# Seal, When A Man Is Wrong

The perils of loneliness  
The pleasures of love  
That we find  
The argument's imminent  
The look on her face  
As we cry  
There's nothing when you fall alone  
There's hate when you fall by the side  
You know that I didn't mean to hurt you love  
I just need some light  
On my life  
But when a man is wrong  
Facing all the mistakes  
That he's done  
There can be no right  
Now if I was a holy man  
And you were the devil in a song  
And if I liked what you played  
Does that mean you're right and I'm wrong  
Know there's danger in serenade, my friend  
There's even love if you find what you want  
And there's reason to be afraid  
And reason to open your heart  
But when a man is wrong  
Facing all the mistakes  
That he's done  
There can be no right  
Oh my friend  
I sometimes get things wrong to get things right  
Oh my friend  
You know I sometimes get things wrong to get things right  
Oh my friend  
When a man is wrong  
Facing all the mistakes that are done  
When a man, when this man is wrong  
There can be no right  
There can be no right
