

# Seals and Crofts, Story Of Her Love

(lyrics by James Seals; music by James Seals and Dash Crofts, 1974)  
From the album UNBORN CHILD (1974).

She loves because she loves. And she dreams the same way that she loves.  
And she suffers because she does. And I love everything she does.

Silent as the wind that blows, I watch her as her life unfolds.  
Wanting to be part of the never-ending story of her love.  
She came into my life today, she came and gave me words to say.  
Knowing pages I have written on the never-ending story of her love.

She cares because she cares. And she worships the same way that she cares.  
And she suffers because she cares. And I am the trouble that she wears.

Timely as the grass that grows, I follow her each place she goes.  
Thankful to be part of the never-ending story of her love.
