

Sean Kingston ft. Paula DeAnda, There's Nothin

Sean Kingston, JR, Paula

Hey haha

Sean Kingston, Paula D

[Chorus:]

There's nothing in this world

There's not another girl that could satisfy my needs

There's nothing in this world

There's not another boy that could make me feel so sweet

Coz me love life's so right

when she hold me so tight, how she kiss me goodnight

Coz he fills up my life

Like the sun, he shines bright

Boy, come with me now

The first night me meet her

Yes me seniorita me never want to leave her no

Because the gal look sweet and _ a treat

And me really want to take her home yo

Cos she look nice and is a one of a kind

When me look up in her eyes then she got me mesmerised

Picture perfect like a Kodak moment

When she kiss me goodnight and she feelin' up on me

We been there from the jump, never front, never stunt

Never done what a average girl done

And I can tell by her body language

She feels my emotions

And got me anxious

So that's me type

me and me angel

And me really have to let her know

She's the woman of my life

Oh yes she so right

So please let the chorus go

[Chorus:]

There's nothing in this world

There's not another girl that could satisfy my needs

There's nothing in this world

There's not another boy that could make me feel so sweet

Coz me love life's so right

when she hold me so tight, how she kiss me goodnight

Coz he fills up my life

Like the sun, he shines bright

Boy, come with me now

I saw you from across the room

Looking so fly I gotta talk to you, yeah

It didn't take a sec to see

That you're the only one who wanna rescue me

I can't lie, boy you're my type of guy

And there's nothing in this world that can stop me from loving you

Girl you put me in a good mood

And me love the way you flex too

We could chill girl, after school

Cos I ain't trippin girl it's up to you

And since then we've been inseparable

Cos I did everything to get next to you

Since day 1 you know I stay true

So ever since then it's been me and my boo

[Chorus:]

There's nothing in this world

There's not another girl that could satisfy my needs

There's nothing in this world

There's not another boy that could make me feel so sweet

Cos me love life's so right

when she hold me so tight, how she kiss me goodnight

Cos he fills up my life

Like the sun, he shines bright
Boy, come with me now
[Sean Kingston & Paula Deanda:]
