Sean Kingston, Gotta Move Faster

I gotta move faster cant slow down gotta move faster need a lil mo power hook it up so itll go faster

I just got off the road have songs that I wanna download cant waste no time on a computer movin too slow I got fans out there that I gotta stay connected with dont know where III be next day, so I keep moving just like this

there is something that I gotta let you know if you cant move at my speed baby girl you have to go cause i move too fast baby girl dont ask just go with the flow ya shorty III take you there, ya, just let me know

I gotta move faster cant slow down gotta move faster need a lil mo power hook it up so itll go faster

everytime I hit the net get a thousand friend requests stay up all night showing all my fans respect aint what u look like girl, its more about what u got inside and if you rock the Intel baby, then holla at me online

theres something that I gotta let you know if you cant move at my speed baby girl you have to go cause i move too fast baby girl dont ask just go with the flow ya shorty III take you there, ya let me know

I gotta move faster cant slow down gotta move faster need a lil mo power hook it up so itll go faster

things changing everyday all because of technolog-ay I always got to play so I roll with mobilit-ay

things changing everyday all because of technolog-ay I always got to play trust me shorty, III be on my way

I gotta mova faster cant slow down gotta move faster need a lil mo power hook it up so itll go faster
