Sean Lennon, Song Song

Sometimes I don't Want to face life Sometimes I feel empty inside But every moment is precious And everyone will turn to dust

Dust myself up
And I scream at the sky
It's been so hard
But I can't let it die
Turn my head up
Looking at the stars
So many years,
I still wonder where you are?
Dust myself up and I scream at the sky
It's been so hard
And I ask myself why?
Turn my head up,
Looking at the sun
Waited so long,
It's time to move on, move on

Look at the sun, Look at the sky Another day, another sign And every moment is precious And everything will turn to dust

Dust myself up
And I scream at the sky
It's been so hard
But I can't let it die
Turn my head up
Looking at the stars
So many years,
I still wonder where you are?
Dust myself up
And I scream at the sky
Every day I ask myself why?
So much pain pouring
From inside
Above me I feel the spirit fly
