

# Sean Lennon, Sunshine

(nakamura/huston/nishita)

Your love is my sanity  
Your love brings me sunshine  
I like what you do to me  
I like what you give to me  
I wander through this world needing you so much  
I wander through this world dreaming of your touch  
If I could see you again  
If I could just see you again  
Forget about your sorrows  
Forget about your heartaches  
Life is nothing but a shadow  
Forget about your worries  
Forget about the bad times  
Life is nothing but a shadow  
Without your sunshine

(father sarducci speaks)

There's a new star in the night sky  
Could it be you making me so high  
Shine on shine on shine on shine on shone on and on and on and on...  
If I could see you again

If I could just see you again  
Forget about your sorrows  
Forget about your heartaches  
Life is nothing but a shadow  
Forget about your worries  
Forget about the bad times  
Life is nothing but a shadow  
Without your sunshine

(father sarducci speaks)

I used to think time was on my side  
I used to think the world could be so kind  
That was another day  
And that was another time  
If I could see you again  
If I could just see you again  
Forget about your sorrows  
Forget about the heartaches  
Life is nothing but a shadow  
Forget about your worries  
Forget about the bad times cause life is nothing but a shadow  
Without your sunshine
