

Sean Lennon, Would I Be The One

Would I be the one to bring back the tears from your eyes now
Would I be the one to bring back the tears
Would I be the one to bring back
Would I be the one to bring back the tears from your eyes

Is it what I want to scrape off the juice from your boots now
Is it what I want to scrape off the juice from you

Is it what I want
Is it what I want
Is it what I want
Is it what I want

Is it what I want
Is it what I want

Is it what I want to scrape off the juice from your boots now
Is it what I want to scrape off the juice
Is it what I want to scrape off
Is it what I want to scrape off the juice from your boots

Is it what I want to be had like a bull by the horns now
Is it what I want to be had like a bull by the horns

Is it what I want
Is it what I want
Is it what I want
Is it what I want

Is it what I want
Is it what I want

Is it what I want
Is it what I want
Is it what I want
Is it what I want

Is it what I want
Is it what I want
