

Sean Paul, So Fine

intro

I'll be your sunshine
you could be mine
you'll be my windchime
I've got the rhyme
we'll have a good time
make up your mind
roll with me girl, you're so fine

chorus

girl jus let me be there for you anytime
you're so fine
for you I'd join the longest line
you're so fine
my girl bruk out n whine
mash up me brain, u a mash up man mind
real bad man a dats wah dem like
I'll be your sunshine X2

verse 1

this time, my girl if you want jus call me
anytime my love like start get corny
we keep it steam up n' stormy
me and you team up an build an army
cah me love all di shape a ya body
and me kno seh u waan come party
if ya kno seh a u a me target
girl I'll be that doggy doggy
sexy chick that a my prerequisite
hot girls gotta be my darlin'
get with it, my beat u fi set wit it
all girls gotta heed my callin'
from Kingston up to New Orlean
New Jersey rite back to Spalding
you fi kno this boy aint stallin'
we puttin' all in

repeat chorus

verse 2

listen my voices and my vocal
lack off ya phone, tell ya man don't call
I'm gonna give ya this love total
medical and it's antidotal, oh yea!
cah we a di top pro gyal
international or local
ya man don't got it like me not at all
cah ya man don't firm n' ya man don't tall
'im a bruk out di diamond n' di opal
'im a try buy love but now di love stall
look like 'im don't have no hope at all
'im nah come good with di approach at all
hang him up like picture inna photo hall
every man gwan buy new protocol
S.P. a di man you fi call
i won't fall
