

# Sebadoh, Flame

I don't want to be the one to ride flame  
I don't know her name  
And I don't want to go where the seekers all go  
I don't want to know  
And you can feel anything you wanna feel  
And you can feel anything you wanna feel  
And call it real  
But I don't want to be the one who rides flame  
I don't want to be the one who rides flame  
I can't complain though im wrapped up in chains  
I can't complain  
Everybody's got the right to be free  
But thats not me  
And you can feel anything you wanna feel  
And you can feel anything you wanna feel  
And you can feel anything you wanna feel  
And call it real  
But I don't want to be the one who rides flame  
I don't want to be the one who rides flame  
Hit the flame burn a hole in my brain  
Never be the same  
I try to take it slow but she's pushing me to go  
But I don't wanna go  
And you can feel everything you wanna feel  
And you can feel everything you wanna feel  
And you can feel everything you wanna feel  
And call it real  
But I don't wanna be the one who rides flame  
I don't wanna be the one who rides flame  
I don't wanna be the one who rides flame  
I don't wanna be the one who rides flame  
I don't wanna be the one who rides flame  
I don't wanna be the one who rides flame  
I don't wanna be the one who rides flame
