

Sebadoh, Soul Mate

My soul mate is a special girl
A girl that's just like me
She'll share tremendous oral sex
And try everything she sees
She won't be insane or hung-up
Like most other girls
I'll worship her until it hurts
Cuz she's on top of my world
Ewwwww, I'm a sad man
I can't ignore what life beholds for me
And I'll probably have to have sex with a lot of girls
Before my soul mate reveals herself to me
You are sweet diversion as I stomp my darker way
Don't let your heart get out of hand
I'll step on it someday
Maybe it's too sad to mention
Maybe I am gay
A moment or two may shine and sure to quickly fade away
Ewwwww, it's a sad life
Sometimes little sweet girls get left behind
But baby, baby, baby it's a man's life
And I gotta tear up everything I find
