

# Sebastian Bach, Stuck Inside

I feel you taking on  
Everything I said  
That I want  
And then you said its over

'Cause I'm stuck inside  
'Cause I'm stuck inside

I'll take all you got  
And everything you said  
That I can't  
And then you said it's over

'Cause I'm stuck inside  
'Cause I'm stuck inside

I won't let you break away  
I know your feelings change  
From everything you said today  
Peeling the layers of emotions away

Im breaking down again, you'll see  
I need just one more special thing  
Now I, 1,2,3,4,5,6 I count away my time  
All my live is empty, now I said its over

'Cause I'm stuck inside  
'Cause I'm stuck inside
