

# Secret Garden, Where In The World

Now I see you in the window  
Of a carriage, then a train  
Still my mind will not accept that  
In your grave you must remain  
I hear your voice, then turn and  
See a stranger's form and face  
Must I wander on tormented  
Place to place to place to place

Where can I go that you won't find me  
Why can't I find a place to hide  
Why do you want to chase me, haunt me  
Every step you're there, beside me

Where in the world, tell me, where in the world  
Can I live without you love  
Where on the earth, tell me, where on the earth  
Can I stay now that you are gone

Why did I have to meet you, love you  
Why can't I rid you from my mind  
Why did you have to want me  
Won't you let me put my life behind me

How in the world, tell me, how in the world  
Can I live without your love  
Why on the earth, tell me, why on the earth  
Should I stay now that you are gone  
Now that you are

(spoken) Lily, is that... you?
