

Secret Machines, Money (That's What I Want)

They say that the best things in life are free
But you can give 'em to the birds and bees

I want money
That's what I want

They say that love gives that special thrill
But it don't pay my cupid bill

I want money
That's what I want

They say that money can't buy everything
It's true
But what it can't buy, honey, I can't use

Just give me money
That's what I want
