

# Seekers, Someday, One Day

Chorus:

Someday, one day,  
Time's not so far away,  
We can share the dreams we've had.  
Oh, someday, ooh-ooh-ooh!

Hey, there, look in the mirror.  
Tell me, what do you see before you?  
I see someone to be proud of,  
I see someone that I love.

(Chorus)

People say you're a dreamer.  
What do they know of what you're thinkin'?  
If you believe in what you're doin',  
Then believe in what I say.

(Chorus)

I know you feel discouraged;  
Sometimes things move very slowly.  
And I know that you feel like movin',  
Feel like goin', feel like doin'.

Someday, one day,  
Time's not so far away,  
We can share the dreams we've had.  
Oh, someday; oh, someday; oh, someday.
