

# Sega Sound Studio, Follow Me (Team Rose)

Anywhere you wanna go,  
Anything you need to know,  
All the best in life, I want to get it for you.  
Baby, I just feel so fine.  
I imagine that you're mine.  
In my world you're gold.  
I only want to protect you.

Whatever I want I get.  
I want shooting stars.  
Whatever I need I have.  
When I'm with you.

Follow me inside, outside, through the stratosphere.  
The moon is shining for you.  
It knows that I adore you.  
Suddenly all the sadness will just slip away.  
And you will see what I mean,  
If you just follow me in my dreams.

I was searching everywhere.  
Suddenly I saw you there.  
And my love arrived, just in the nick of time.  
Life floats on a movie screen.  
You're the star of my scene.  
Live on the edge of a knife,  
Larger than life!

Whatever I want I get.  
No one could take your place.  
Whatever I need I have.  
When I see your face.

Follow me inside, outside, through the stratosphere.  
The moon is shining for you.  
It knows that I adore you.  
Suddenly all the sadness will just slip away.  
And you will see what I mean,  
If you follow me in my dreams. (2x)
