

Selena, Amame (English Translation)

"Love Me"

Please remember! This translation is my personal work. It is sometimes difficult to translate word for word.

I'm always thinking only of your love
Tired of this dream, I want to make it real
Make up your mind, my love, I'm losing control
Time is passing, and I can't wait
Because to be without you is like not living
If you made me yours, I would be happy
Whoa, Love me
I'm dying to kiss you, love me
Whoa, love me
I don't want to beg anymore, love me
Oh, yeah
This passion is almost impossible to calm
I want you so much that it hurts (my heart)
Because when I look at you I can't contain myself
I wish I could hold you, so that you would feel my love
Because to be without you is like not living
If you made me yours, I would be happy
