

Selena, Bidi Bidi Bom Bom

Each time
Each time that I see him go by
My heart goes crazy
And begins to pound and beat
And it becomes excited(it becomes excited)
It no longer reasons
I can't control it
And it becomes excited (it becomes excited)
It no longer reasons
and it begins to sing to me
It songs to me like this, like this

Bidi Bidi Bom Bom(Bidi Bidi Bom Bom)
Bidi Bidi Bom Bom(Bidi Bidi Bom Bom)
Bidi Bidi Bidi Bidi Bidi Bom Bom
Bidi Bidi Bidi Bidi Bidi Bom Bom
Each time
Each time that I hear him speak
Even my legs tremble
And so dos my heart(and my heart does the same)
And it becomes excited(it becomes excited)
It no longer reasons
I can't control it
And it becomes excited(it becomes excited)
It no longer reasons And it begins to sing to me
It sings to me like this, like this

When I hear this song
My heart wants to sing like this
