Selena, Don't Throw Away My Love

You are to me my greatest fantasy
Night after night, I want for you to hold me tight
I want to be with you,
You could make my dream come true
Only you can make my heart and soul brand new

My love Don't throw away my love My love We could have an everlasting love

My-My My-My My-My

I want to be all that you want me to be Why can't you see just how much you mean to me? I want to be with you, You could make my dream come true Only you can make my heart and soul brand new

My love Don't throw away my love My love We could have an everlasting love

My-My My-My My-My

My-My My-My My-My

My love Don't throw away my love My love

We could have an everlasting love

Don't throw away
Don't throw away my love
Don't throw away
Don't throw away my love
Don't throw away
Don't throw away my love
Don't throw away
Don't throw away

My love Don't throw away my love
