

# Selena Gomez, It Ain't Me (ft. Kygo)

I had a dream  
We're sipping whisky neat  
Highest floor, the brewery  
And I was high enough  
Somewhere along the lines  
We stopped seeing eye to eye  
You're staying out all night  
And I had enough

No  
I don't wanna know where you been or where you're going  
But I know I won't be home  
And you'll be on your own

Who's gonna walk you through  
The dark side of the morning?  
Who's gonna rock you  
When the Sun won't let you sleep?  
Who's waking up to drive you home  
When you're drunk and all alone?  
Who's gonna walk you through  
The dark side of the morning?  
It ain't me

It ain't me /3x

"I had a dream  
We were back to 17  
Summer nights and liberties  
Never growing up"  
I'll take with me the polaroids  
And the memories  
But you know  
I'm gonna leave behind the worst of us

Who's gonna walk you through  
The dark side of the morning?  
Who's gonna rock you  
When the Sun won't let you sleep?  
Who's waking up to drive you home  
When you're drunk and all alone?  
Who's gonna walk you through  
The dark side of the morning?  
It ain't me

It ain't me  
No, no  
/3x

Who's gonna walk you through  
The dark side of the morning?  
It ain't me

It ain't me /2x
