

Selena Gomez, Souvenir

New York back in August
10th floor balcony
smoke is floating over
jane and Greenwich street

Goosebumps from your wild eyes
when they're watching me
shivers dance down my spine
head down to my feet

swimming
in your eyes /3x
Egyptian blue
something I've never had without you

you're giving me chills at a hundred degrees
it's better than pills how you put me to sleep
calling your name the only language I can speak
taking my breathe, a souvenir that you can keep
give me chills

sunset tower lobby
waiting there for me
in the elevator
fumble for the key
kissed in every corner
presidential suite
opened the Bordeaux form 1993

swimming
in your eyes /3x
Egyptian blue
something I've never had without you

you're giving me chills at a hundred degrees
it's better than pills how you put me to sleep
calling your name the only language I can speak
taking my breathe, a souvenir that you can keep
give me chills

take my
take take my breathe away
just like
take my breathe away
just like a souvenir

take my
take take my breathe away
just like
take my breathe away
just like a souvenir

you're giving me chills at a hundred degrees
it's better than pills how you put me to sleep
calling your name the only language I can speak
taking my breathe, a souvenir that you can keep

give me chills

take my
take take my breathe away
just like
take my breathe away
just like a souvenir

give me chills

take my
take take my breathe away
just like
take my breathe away
just like a souvenir
