Selena Gomez & The Scene, Love You Like A Lo

It's been said and done Every beautiful thought's been already sung And I guess right now here's another one So your melody will play on and on With the best of 'em You are beautiful Like a dream come alive, incredible A centerfold, miracle, lyrical You saved my life again And I want you to know baby

- I, I love you like a love song baby
- I, I love you like a love song baby
- I, I love you like a love song baby

And I keep hittin' repeat-peat-peat-peat-peat

- I, I love you like a love song baby
- I, I love you like a love song baby
- I, I love you like a love song baby

And I keep hittin' repeat-peat-peat-peat-peat

Constantly

Boy you play through my mind like a symphony There's no way to describe What you do to me

You just do to me

What you do

And it feels like I've been rescued

I've been set free

I am hypnotized

By your destiny

You are magical, lyrical, beautiful

You are

And I want you to know baby

- I, I love you like a love song baby
- I, I love you like a love song baby
- I, I love you like a love song baby

And I keep hittin' repeat-peat-peat-peat-peat

- I, I love you like a love song baby
- I, I love you like a love song baby
- I, I love you like a love song baby

And I keep hittin' repeat-peat-peat-peat-peat

No one compares You stand alone To every record I own Music to my heart That's what you are A song that goes on and on

I, I love you like a love song baby

I, I love you like a love song baby

(I love you)

I, I love you like a love song baby

(like a love song)

And I keep hittin' repeat-peat-peat-peat-peat

(like a love song)

I, I love you like a love song baby

I, I love you like a love song baby

I, I love you like a love song baby

(I love you) I love you

Like a Love Song
