Selena Gomez, The way I loved you

Everything's cool, yeah It's all gonna be okay, yeah And I know, Maybe I'll even laugh about it someday

But not today, no Cause I don't feel so good I'm tangled up inside My heart is on my sleeve Tomorrow is a mystery to me

And it might be wonderful
It might be magical
It might be everything I've waited for,
A miracle
Oh, but even if I fall in love again
With someone new
It could never be the way I loved you

Letting you go is Making me feel so cold, yeah And I've been trying to make Believe it doesn't hurt

But that makes it worse, yeah See, I'm a wreck inside My tongue is tied and my Whole body feels so weak The future may be all I really need

And it might be wonderful, yeah
It might be magical, uh oh
It might be everything I've waited for,
A miracle
Oh, but even if I fall in love again
With someone new
It could never be the way I loved you

Like a first love,
The one and only true love
Wasn't it written all over my face, yeah
I loved you like you loved me (Oh)
Like something pure and holy
Like something that can never be replaced

And it was wonderful,
It was magical,
It was everything I've waited for,
A miracle
And if I should ever fall in love again
With someone new
Oh, It could never be the way
No, It will never be the way
I loved you
