

# Selena, Only Love

I see the distant lights ahead  
Another hour or so and I'll be back in bed  
I guess I really thought that I was gone for good  
But you know I never could  
I count the headlights passing by  
But every one I find another reason why  
You'll be sound asleep and I'll look like a fool  
How could I be so cruel?  
Only love can make me turn around  
Can make these tears come tumbling down  
Only love  
Only love can make you stay with me  
I doubt myself that you believe  
Only love  
I wish that I could be that strong  
You see me as I am and love me right or wrong  
I guess I'm still afraid to only say good-bye  
So I keep it all inside  
Only love  
Can make me turn around  
And make these tears come tumbling down  
Only love  
Only love can you stay with me  
I doubt myself that you believe  
Only love  
So I try to run  
But no matter what I do  
I know it's true  
I can't go on without you  
Only love can make you stay with me  
I doubt myself that you believe  
Only love  
Only love  
Can make me turn around  
And make these tears come tumbling down  
Only love  
Only love  
Can make you stay with me  
I doubt myself that you believe  
Only love can make me turn around  
And make these tears come tumbling down  
Only love can make me turn around
