

# Selena, Quiero Ser (English Translation)

&quot;I Want to Be&quot;

Please remember! This translation is my personal work. It is sometimes difficult to translate word for word.

I want to be the only love in your life, I want to be  
I want to be the owner of the keys to your heart  
where you keep your love, I want to be  
I want to be part of your life,  
I want to be your favorite (chosen one)  
Your everything and the most loved  
I'll die without your love  
I want to be the only one on your mind night and day  
I want to be the owner of the keys to your heart  
where you keep your love, I want to be  
I want to be part of your life,  
I want to be your favorite (chosen one)  
Your everything and the most loved  
I'll die without your love
