

# Selena, Ya Ves (English Translation)

"You See"

---

Please remember! This translation is my personal work. It is sometimes difficult to translate word for word.

---

Everything I feel for you  
is left behind in the past  
Because you have gone away  
without a motive or a reason  
You hurt my heart  
If one day I believed in you  
I was wrong  
You never gave me anything,  
only betrayal  
You hurt my heart  
You see, that's what you wanted  
You see, you were the one who hurt me  
You see, now you're sorry  
You see, tell me how it feels  
Now that I don't love you  
That I'm not yours anymore  
I left you behind, you and your pride  
If one day I believed in you  
I was wrong  
You never gave me anything,  
only betrayal  
You hurt my heart
