

# Selina Quintanilla, I Could Fall In Love

I could lose my heart tonight  
If you don't turn and walk away  
Coz the way I feel  
I might lose control and let you stay  
Coz I could take you in my arms and never let go

I could fall in love with you (repeat 2)

I can only wonder how  
Touching you would make me feel  
But if I take that chance right now  
Tomorrow will you want me still  
So I should keep this to myself and never let you go

I could fall in love with you (repeat 2)

And I know it's not right and I guess I should try to do what I should do  
But I could fall in love with you baby

I could fall in love with you  
So I should keep this to myself and never let go

I could fall in love with you (repeat 2)  
I could fall  
I could fall in love with you  
I could fall in love with you baby (repeat 2 to fade)
