

# Selina Quintanilla, Only Love

I see the distant lights ahead  
Another hour or so and I'll be in there  
I guess I really thought  
That I was gone for good  
But you know I never could  
I count the headlights passing by  
But everyone I find another reason why  
You'll be sound asleep  
And I'll look like a fool  
How could I be so cruel

Only love could make me turn around  
And make these tears come tumbling down  
Only love  
Only love can make you stay with me  
I doubt my self that you believe  
Only love

I wish that I could be that strong  
You see me as i am and love me right or wrong  
I guess I'm still afraid  
To only say goodbye  
So I keep it all inside

Only love could make me turn around  
And make these tears come tumbling down  
Only love  
Only love could make you stay with me  
Only love (repeat 2)

So I try to run but no-matter what I do  
I know it's true  
I can't go on without you

Only love could make you stay with me  
I doubt myself that you believe  
Only love  
Only love could make me turn around  
And make these tears come tumbling down  
Only love  
Only love could make you stay with me  
I doubt myself that you believe  
Only love

Only love could make me turn around  
And make these tears come tumbling down (sing to fade)
