

Semisonic, Delicious

You're delicious
When you call me
I've got nothing left to wait for

You're delicious
When you see me
I've got nothing left to pray for

hoo hoo yeahyeahyeahyeahyeah, yeah
hoo hoo yeahyeahyeahyeahyeah, yeah

You're delicious
Come and feed me
I've got nothing left to cry for

You're delicious
Oh you sweet thing
You've got something I should open wide for

hoo hoo yeahyeahyeahyeahyeah, yeah
hoo hoo yeahyeahyeahyeahyeah, yeah

I would give my one last chance to you
Never to waste it
I would give my one last kiss to you
If you told me that you wanted to taste it

You're delicious
When you call me
I've got nothing left to sigh for

You're delicious
When you SAVE me
I've got nothing left to die for.
