

Semisonic, Secret Smile

Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me

So use it and prove it
Remove this whirling sadness
I'm losing, I'm bluesing
But you can save me from madness

Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me

So save me I'm waiting
I'm needing, hear me pleading
And soothe me, improve me
I'm grieving, I'm barely believing now, now

When you are flying around and around the world
And I'm lying lonely
I know there's something sacred and free reserved
And received by me only
