Semisonic, Secret Smile

Nobody knows it but you've got a secret smile And you use it only for me Nobody knows it but you've got a secret smile And you use it only for me

So use it and prove it Remove this whirling sadness I'm losing, I'm bluesing But you can save me from madness

Nobody knows it but you've got a secret smile And you use it only for me Nobody knows it but you've got a secret smile And you use it only for me

So save me I'm waiting I'm needing, hear me pleading And soothe me, improve me I'm grieving, I'm barely believing now, now

When you are flying around and around the world And I'm lying alonely I know there's something sacred and free reserved And received by me only
