Semisonic, Singing In My Sleep

Got your tape and it changed my mind Heard your voice in between the lines Come around from another time Where nobody ever goes

All alone on the overpass Wired and phoned to a heart of glass Now I'm falling in love too fast With you or the songs you chose

And all the stars Play for me Say the promise you long to keep

I can hear you sing it to me in my sleep I can hear you sing it to me in my sleep

I've been living in your cassette It's the modern equivalent Singing up to a Capulet On a balcony in your mind

In the City the lion sleeps Pray to Sony my soul to keep Were you ever so bright and sweet Did you ever look so nice

And all the sounds Dream for me Dive me down in a soul so deep

I can hear you sing it to me in my sleep I can hear you sing it to me in my sleep
