

# Sentenced, Noose

No way out of your misery  
Alone in pain and agony  
Lay depressed and hollow  
One thought in your mind  
-No Tomorrow

And then you had made up your mind  
and thought it was your time  
You left this world without shedding a tear  
without hope, without fear

So you thought you'd just put your head  
into the Noose and let it all go...and so you did  
Oh yeah, you did

Now you come haunting every night  
Calling my name until I...  
wake up feeling this sorrow  
One thought in my mind  
- I will follow

I'll drink the booze to depress myself  
then I take the rope and express myself  
I'll leave this world without shedding a tear  
without hope, without fear

Yeah, I think I'll put my head  
into the Noose and let it all go...and so I will  
Oh yeah, I will

I'll take the rope, just like you  
and wherever you are, I'll be too

I think I'll just put my head  
into the Noose and let it all go...and so I will  
Oh yeah, I will
