

Sentenced, The Way I Wanna Go

I know of a heaven...
and damn sure...
I know of a Hell...
if you could take a look into this fighter's mind...
the things you'd see.

What would you think?
How would you feel?
If you could really know me...mmm...

Can you see this Hell I feel inside?
A tragedy in a human mind.
Aaaaaaargh! That's what I am!!!

So turn away, turn away and go.
Turn away while you still can.
Turn away.
The way I'm gonna go is not the way you want to go!

This reign that I have built myself,
over the years, will crumble down on me.

Life's double edged sword gives both pleasure and pain.
And it's MY cross to be carried!!!

Can you see this chaos-ridden mind?
This tragedy, this tragedy of a human mind.
Aaaaaaargh! That's how I am!!!

"It might seem to you that we are same. But that's just a part of the illusion of life.

There's no perfection in this world,
and in the end we're but two strangers
sailing our personal seas of sorrow..."

I've been to heaven! (and let me tell you:)
I have been "down there"

So turn away, turn away and go.
Turn away while you still can.
Turn away.
The way I'm gonna go is not the way you want to go!

Turn away, Turn away...
This is the way I wanna go
