

# Sepultura, Mass Hypnosis

Looking inside, your future uncertain  
The fear grows as a sickness uncured  
The silence agonizes, the words sound  
strong  
Look inside the eyes, leave this world

Hate through the arteries  
Mass hypnosis

Uncertain of being back  
They make you feel so good  
Everything's darkened  
Obey like a fool

Hate through the arteries  
Mass hypnosis

Soldiers going nowhere  
Believers kneeling over their sins  
Inhuman instinct of cowardly leaders  
Make the world go their own way

Tens of thousands hypnotized  
Trying to find a reason why  
Look inside your empty eyes  
Obey 'till the end

Looking inside, your future uncertain  
The fear grows as a sickness uncured  
The silence agonizes, the words sound strong  
Look inside the eyes, leave this world

Hate through the arteries  
Mass hypnosis

Soldiers going nowhere  
Soldiers blinded by their faith
