Sepultura, Propaganda (Live)

Why don't you get a life and grow up Why don't you realize that you're fucked up Why criticize what you don't understand Why change my words, you're so afraid

You think you have the right to put me down
Propaganda hides your scum
Face to face you don't have a word to say
You got in my way, now you'll have to pay

Don't, don't believe what you see Don't, don't believe what you read No!!!

I know my ways, I'm here to stay I didn't start all this yesterday I'll prove you wrong all the way Life teaches me you're always alone

Don't, don't believe what you see Don't, don't believe what read No!!!
