

Sergey Lazarev, Can't Let You Go

If I could find the words you wanted to hear
I would be talking to you loud and clear
And if I knew how I could state my case
I'd be there talking to you face to face

But I, don't know what to do
I'm losing you

Chorus

I'm on my knees, begging baby, you gotta know
Can't you see, I can't let you go no
There's nothing that I wouldn't do, I want you to know
Baby please, I can't let you go, no no

(yeah)

I lie awake at night my head's in a spin
I'm fighting battles that I cannot win
If only I could see where I went wrong
Where all the heartache really started from

But oh, what can I do
Am I losing you ?

I'm on my knees, begging baby, you gotta know
Can't you see, I can't let you go no
There's nothing that I wouldn't do, I want you to know
Baby please, I can't let you go, no no

I'm on my knees, begging baby...

(yeah)

I can't let you go
I can't let you go
I can't let you go nono-no-no
I can't let you go
I can't let you go
What can I do baby (you gotta know)

I'm on my knees, begging baby, you gotta know
Can't you see, I can't let you go no
There's nothing that I wouldn't do, I want you to know
Baby please, I can't let you go, no no (I can't let you go)
