Would you take me out for dancing?  
Dancing on the floor  
I'll be out in Rio  
Dancing at the disco  
Girls'd be lookin' sexy  
Dressin' mighty fine  
Baby dancing funky  
Happening start the good time

I'll be steppin out  
To paint the town  
And party the night away  
I'll be dancin'  
I'll be groovin'

And I'm gonna do it  
Because the drummer make me do it  
Make me do it to the way that he play

Layalalayay ooh  
Layalalayay ooh  
Layalalayay ooh  
Layalalayay ooh

Ooh ooh layaylayay  
Ooh ooh layaylayay  
Ooh ooh layaylayay  
Ooh ooh layaylayay

Would you take me to the party?  
Party with the world  
Dancing in the ghetto  
Knowing not the jealous  
Come on everybody  
Won't you feel the joy  
Music is the potion  
Travellin' from coast to coast in

I'll be steppin' out around the world  
Washing the pain away  
You'll be dancin'  
You'll be groovin'

And you will do it  
Because the drummer make you do it  
make you do it to the way that he play

Layalalayay ooh  
Layalalayay ooh  
Layalalayay ooh

Ooh ooh layaylayay
