

# Sergio Mendes, Nonstop

Some things come and go  
Some are meant to last  
When it comes to me  
You don't have to ask  
Ooh baby, can't you tell how I feel

I wan't give you up  
I won't go away  
Like the air you breathe  
Boy I'm here to stay  
I'm with you every step of the way

This girl is gonna love you

Nonstop - permanently  
Ooh, never ending  
Nonstop around the clock, it's going to be  
Nonstop give you all I got  
Nonstop between us starting tonight

Better hang on tonight  
When this love begins  
Cause we won't slow down  
And we'll never end  
Ooh Baby, I'll give you all I can  
Ooh, and then I'm gonna love you

Nonstop - permanently  
Ooh, never ending  
Nonstop around the clock, it's going to be  
Nonstop give you all I got  
Nonstop between us starting tonight

Nonstop  
Can't stop  
Don't stop tonight

Nonstop - permanently  
Ooh, never ending  
Nonstop around the clock, it's going to be  
Nonstop give you all I got  
Nonstop between us starting tonight
