

# Serial Joe, Mistake

Do you know how to find what you're looking for  
Your stuck in a maze of promises, don't know what's real or not  
Promise you everything, I'll never lie  
Do you even know what it is you want  
So how can I even try

It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake  
It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake

Don't know how it came to this  
Just try and figure out what to do  
Can he give you what you need  
You think that I cannot  
You're in a state of mind games  
It seems like a check mate  
None of us will win  
And I don't think I can wait

It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake  
It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake

-Bridge-

It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake  
It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake  
How long till you wake  
How long till you wake  
How long till you wake
