

# Serj Tankian, Saving Us

Why do we sit around and  
Break each other's hearts tonight  
Why do we dance around  
The issues till the morning light  
When we sit and talk  
And tear each other's lives apart  
You were the one to tell me go

But you were the one for me  
And now you're going through the door  
When you take that step  
I love you baby more and more  
We need to laugh and sing and cry  
And warm each other's hearts tonight  
Observing the fun of everything  
And loving all our mother God

Tearing us, You're tearing us  
You're breaking us, You're breaking us  
You're killing us, killing us,  
You're saving us, you're saving us  
You're tearing us, you're tearing us  
You're breaking us, you're breaking us  
You're killing us, killing us  
You're saving us

Why do we sit around and  
Break each other's hearts tonight  
Why do we dance around  
The issues 'till the morning light  
When we sit and talk and  
Tear each other's lives apart  
You were the one to tell me go

But you were the one for me  
And now you're going through the door  
When you take that step  
I love you baby more and more  
We need to laugh and sing and cry  
And warm each other's hearts tonight  
Observing the fun of everything  
And loving all our mother God

Tearing us, you're tearing us  
You're breaking us, you're breaking us  
You're killing us, killing us  
You're saving us, you're saving us  
You're tearing us, you're tearing us  
You're breaking us, you're breaking us  
You're killing us, killing us  
You're saving us

Forever alive, forever alive, forever, forever  
Forever alive, forever alive, forever  
Never and ever again

You're tearing us, you're tearing us  
You're breaking us, you're breaking us  
You're killing us, killing us  
You're saving us, you're saving us  
You're tearing us, you're tearing us  
You're breaking us, you're breaking us  
You're killing us, killing us  
You're saving us, you're saving us

You're tearing us, you're tearing us  
You're breaking us, you're breaking us  
You're killing us, killing us  
You're saving us
