

Serra Eric, My Lady Blue

No regrets, no tears.
Only a strange feeling,
sleeping without falling.
I'll try another World
where the water is not blue anymore,
another reality.
Oh, my baby I love you,
My lady blue.
I'm looking for something
that I'll never reach.
I seek eternity.
No more sun, no more wind.
Only a strange feeling,
leaving without moving.
I'll try another World
and the sky slowly fades in my mind.
Just like a memory.
No more reasons, no fears
Only this strange feeling,
giving without thinking.
Oh, my baby I love you,
My lady blue.
I'm looking for something
I'll never reach.
Baby, I love you
my lady blue.
I'm searching for something
that I'll never reach.
I seek eternity.
