

# Sertab Erener, Here I Am

Something calling from deep inside me,  
A voice I knew but I could not hear.  
For so long I have tried to hide me,  
Couldn't see that you were so near.

You know me,  
You show me,  
Everything that I really am and,  
You see me,  
you gave me strength enough to say.

Here I am  
Ready for your love  
Here I am  
I'll never run away  
I have made my connection,  
Seen my reflection in you.  
So here I am.

Living under a lonely shadow,  
I have seen from the other side.  
Hope will shine from a single candle,  
Leaving all of the pain behind.

It's our way,  
A new day,  
Living in the here and now and,  
Believing,  
I'm feeling strong enough to say.

Here I am  
Ready for your love  
Here I am  
I'll never run away  
I have made my connection,  
Seen my reflection in you.  
So here I am.

Never leave me,  
You complete me.  
I finally know who I love,  
I love you  
I love you

Here I am  
Here I am  
Here I am  
Ready for your love  
Here I am  
I'll never run away  
I have made my connection,  
Seen my reflection in you,  
Finally here I am.

Here I am, I am.

I have made my connection,  
Seen my reflection in you,  
So here I am.
